

GPHealth Hackham

As of the 1st of July 2023, GPHealth Hackham Clinic will become a **mixed billing clinic**. This means there will be a fee due at the end of your consultation with your Doctor or Allied Health Practitioner. Please note all appointments fees will need to be paid on the day. NO accounts will be given.

Our Doctors will continue to bulk-bill for the following:

Patients aged 15 years or younger. Patients who hold a current concession, pension or DVA card. GP Management Plans. Health Assessments. Mental Health Care Plans.

However, if the consultation is in relation to a Work Cover Claim (not yet approved), Heavy Vehicle Drivers Licence, Employment, School, or University Medical or Motor Vehicle Accident, there will be a fee due regardless of if you meet the above criteria.

If you do not meet the above eligibility criteria, you will be required to pay at the end of the consultation. Please see the below for appointment fee's.

Doctor Appointments

For patients NOT eligible for bulk billing please see below fees.

	Full payment Required	Medicare Rebate
Standard Consultation	\$61.40	\$41.40
Long Consultation	\$100.10	\$80.10
